INTASTOP LAUNCH NEW BROCHURES AND WEBSITE

Intastop are launching their new corporate image, which comes as a result of more than a year's re-branding programme. Changes include a new corporate logo and four new brochures detailing products in their Door Protection, Anti-Ligature, Wall Protection and Access, Seals & Acoustic ranges.

Their new website has also been launched where users can find detailed product information, downloads and customer testimonials.

You can request Intastop's new brochures by calling 01302 364 666, or view their new website at www.intastop.com.
