

NEWS RELEASE

MARCH 2008

INSTANT ACCESS TO INTASTOP PRODUCT DRAWINGS

Product drawings for all Intastop product ranges including Door & Wall Protection, Anti-Ligature and Access & Acoustic Products can now be downloaded from the Intastop website at the click of a button.

This will enable designers and specifiers to instantly access drawings in both AutoCAD and PDF formats by simply clicking on the technical information pop ups provided on each product page, or by going to the 'downloads' page.

For a full A-Z product listing, sales brochure downloads, a 'products in action' project gallery and a wealth of detailed information including colour charts and fitting instructions, please visit the Intastop website at www.intastop.com
